
The Gatehouse is situated above the main drawbridge entrance to the Castle. This stunning wood panelled room offers an ideal space for Religious, Civil or Humanist ceremonies for up to 40 guests. Wedding photography is available in the Gatehouse, and on the private terrace. Please note that access is via a spiral staircase.

Edinburgh Castle is primarily a visitor attraction which can attract up to 12,000 visitors during the busy summer season. We aim to work as a wedding venue and visitor attraction, due to this restrictions are in place. We do not take bookings during the months of June, July, August or September.

From May to late September/early October Edinburgh Castle's esplanade is home to the Royal Edinburgh Military Tattoo. The arena is built from early May and is dismantled during September/October. As this is in the care of the Royal Edinburgh Military Tattoo, maintenance is out-with our control.

We suggest that you book an appointment to come and view our on-site wedding venues and we can explain to you the workings of a Wedding Day at Edinburgh Castle.

Please note that the Gatehouse Suite is not available for ceremony only hire. All weddings are required to book an accompanying drinks reception package.
